RACING INTEGRITY BOARD to commence on 1 July

The new Racing Integrity Board will be up and running from 1 July, to ensure a high standard of animal welfare, integrity and professionalism in the racing industry.

The Board members appointed are:

- Sir Bruce Robertson KNZM (Chair)
- Kristy McDonald, ONZM, QC
- Penelope Mudford ONZM
- Dr Patricia Pearce
- Brent Williams

Mike Clement, a former Deputy Police Commissioner, takes up the role of Chief Executive from 1 July.

RULES OF RACING (effective from 1 September 2020)

Several amendments to the Rules of Racing came into effect in the 2020-21 season.

The amendments include the addition of new rules regarding:

Equine Welfare (in force from 1 September 2020)

The amendments introduce far reaching changes to the day-to-day care of racehorses through the introduction of an “accountable person”, who will be responsible for ensuring that the welfare needs of a racehorse are met both during its racing career as well as at the end of its career. The amendments also introduce rules which improve the ability to trace the whereabouts of any Thoroughbred racehorse from birth up until it moves on to a new career.

The rule amendments also provide a framework to enable NZTR to manage situations where the welfare requirements of racehorses are not being met. The rules now clearly define the steps that will be taken when welfare issues arise.

Owner Trainer Reforms (in force from 1 November 2020)

New rules are being introduced with the intention of providing greater certainty and clarity in the relationship between owners and trainers as well as between multiple owners of a horse. These are modelled on the successful arrangements in Australia. Default agreements will now apply if owners and trainers do not document their own arrangements, which will provide certainty for all parties and avoid disputes.

The new Rules will also encourage timeous payments of training fees and will introduce an efficient process to resolve any disputes relating to the training fees.

The standard agreements and other documentation are available on the NZTR website.

Treatment Log Books (in force from 1 September 2020)

The amended Rules now require that all trainers keep a treatment log book for each horse. Trainers will be required to record the details of all treatments and medication given to all horses under their care by midnight on the day on which the treatment was given. Whilst it will be necessary to do this manually at first, NZTR is planning to have an online facility available in the future to assist trainers to maintain these records.

One Clear Day (in force from 7 September 2020)

The amendments now prohibit anybody from giving a horse anything other than food and water anytime during the day before the day of a race. A substance may only be given to a horse on the day before a race with the written consent of a Stipendiary Steward or an Investigator and only if the horse needed it solely for welfare reasons.

Please refer to the Rules for the complete list of all amendments. A copy of the amended rules can be found on the LOVERACING.NZ website, under NZTR on the home page banner.

Minimum Wage Rates effective from 1 April 2021

From 1 April 2021 the adult minimum wage will rise to \$20.00 per hour, or \$800 a week, before tax, for a 40-hour week.

The starting-out and training minimum wage rates will rise to \$16 per hour, or \$640.00 a week, before tax, for a 40-hour week. This keeps it at 80% of the adult minimum wage.

The minimum rates prior to April 1, 2021, were \$18.90 per hour for the minimum adult wage and \$15.12 for the starting-out and training minimum wage.

Anonymous Racing Integrity Line

The Racing Integrity Board operates an anonymous 0508 number for the racing industry to report integrity concerns

The 0508 RIB 123 integrity line gathers information volunteered anonymously from industry participants, employers, employees, punters and anyone with an interest in racing. Information passed on has guaranteed anonymity.

TRIALS BALLOTING CONDITIONS

In the event that the number of entries for a trial meeting means that the number of heats exceed 30, then the following elimination conditions will apply:

1. When programming trials, preference will be given to those events that were eliminated at the previous trials meeting in the Northern Region.
2. In August, September & October, Maiden four year olds and upwards will be eliminated first starting with the longest distance. If further eliminations are required the next horses to be eliminated will be Maiden three year olds starting with the longest distance. In the months of November through July (inclusive) Maidens will be eliminated first starting with the longest distance.
3. Exemptions regarding longer distance heats will be considered if there is a need to accommodate horses preparing for jumping races.
4. When trial fields are compiled in the months of November through July (inclusive) three & four year old+ Maiden heats will be combined. In August, September & October, three & four year old+ Maiden heats will be programmed separately.
5. If the deletion of heats is necessary at 12pm, the fields will remain open for a further 30 minutes. The trainers of eliminated horses will be advised via text and/or email to be given an opportunity to move their horse or horses into a heat for which they are eligible, and in which there is an available position, notwithstanding the starting limits that apply. This will be done on a first come first served basis.
6. Once the fields have closed, no further entries will be received or horses swapped except in extreme circumstances, such as a horse being placed in an incorrect heat by the NRB.

SCRATCHING FEE

A scratching fee will apply to any horse that is scratched from a trial meeting after the nomination deadline has passed.

The scratching fee will be the applicable starters fee.

The scratching fee will be waived in the following circumstances:

- A veterinary certificate is received by NZTR by 12 noon on the first business day after the trial meeting.
- A horse starts at a race meeting within 5 days of the scheduled trail meeting.
- The track conditions move two bands in either direction after the nominations have closed. E.g. Good - Slow, Dead - Heavy and vice versa.
- A horse is late scratched at the barrier on veterinary advice.
- The Club requests that NZTR remove the fees from any horse.
